

IPCRG 6th World Conference, Edinburgh UK 2012

Date	From	To	Pentland Suite	Fintry Hall	Sidlaw Hall	Tinto, Kilsyth, Harris and Moorfoot Rooms Abstract Presentations	Ochil 1 Room, Ochil 2/3 and Carrick 2/3 Rooms - Workshops	
25/04/2012	16.00	16.45	IPCRG Annual General Meeting					
25/04/2012	17.00	18.30	Opening ceremony Chairs: <i>Miguel Roman Rodriguez, Spain and Iain Small, UK</i> Keynote session "Breathing new life into respiratory care: the global challenge" <i>Richard Smith, UK</i> Presidents address <i>Miguel Roman Rodriguez, Spain</i>					
Date	From	To	Pentland Suite	Fintry Hall	Sidlaw Hall	Tinto, Kilsyth, Harris and Moorfoot Rooms Abstract Presentations	Ochil 1 Room, Ochil 2/3 and Carrick 2/3 Rooms - Workshops	
26/04/2012	8.45	9.00	Exhibition					
26/04/2012	9.00	10.30	Opening Plenary - Breathing new life: From cradle to grave <i>Chairs: Hilary Pinnock and</i>					
			09.00 - From cradle to grave: a global perspective on primary care respiratory medicine <i>Michael Kidd, Australia</i>					
			09.20 - Primary and secondary prevention of asthma <i>Adnan Custovic, UK</i>					
			09.40 - Tackling the smoking epidemic: a political perspective <i>Gerard Dubois, France</i>					
			10.00 - Is early diagnosis of COPD really such a good idea? <i>John Haughney, UK</i>					
	10.30	11.00	Morning coffee, posters and exhibition in Cromdale Hall					
	11.00	12.30	Parallel symposium: In my practice	Parallel symposium: Update on COPD	Parallel symposium: PCRS-UK & Education for Health Aspiring for quality respiratory services in primary care	Abstract Presentations Parallel abstract presentations in multiple locations	Workshops The following workshops will all take place at the same time in different locations	
	11.00	12.30	In my practice A series of case study presentations aimed at stimulating and challenging the audience. Each presentation will describe the case history and the working environment and will then be opened to the floor for discussion 11.00 - <i>Catalina Panaitescu, Romania</i> 11.18 - <i>Kristin Alise Jakobsen, Norway</i> 11.36 - <i>Laura Stacul, South America (in</i>	11.00 - The natural history of COPD <i>Rupert Jones, UK</i>	11.00 - Defining quality in primary care: The UK and global experience <i>Steve Holmes, UK</i>	11.00-12.30 - S1 Patient perspectives Oral presentations in Tinto	11.00 - 12.30 Are you lecturing? How to improve your presentation and slides <i>Jim Reid, New Zealand</i>	
				11.20 - Changing lifestyles <i>Anders Ostrem, Norway</i>	11.20 - The PCRS-UK Quality Award: a kite make for primary care <i>Iain Small, UK</i>	11.00-12.30 - S2 Asthma general Oral presentations in Moorfoot		
				11.40 Preventing hospital admissions <i>Geraint Lewis, USA</i>	11.40 - What has the Quality Award done for us and our patients'? Practical experience from an inner city GP practice <i>Noel Baxter, UK</i>	11.00 - 12.30 S3 Assessment Oral presentations in Kilsyth		
					11.00-12.30 - S4 COPD general Oral presentations in Harris	11.00 - 12.30 Establishing an allergy/asthma clinic where allergy remains untreated <i>Osman Yusuf; Pakistan, Naren Pandey; India and Ruth McArthur, UK</i>		

6th World Conference of the IPCRG

Date	From	To	Pentland Suite	Fintry Hall	Sidlaw Hall	Tinto, Kilsyth, Harris and Moorfoot Rooms Abstract Presentations	Ochil 1 Room, Ochil 2/3 and Carrick 2/3 Rooms - Workshops	
			Spanish) 11.54 - Ioanna Tsiligianni, Greece 12.12 - Kerry Hancock, Australia	12.00 - Oxygen: a toxic therapy? Linda Pearce, UK	12.00 - Using education and professional development to improve quality and service change Monica Fletcher, UK	08.30-17.00 - P1 COPD general Poster exhibition in Cromdale 08.30-17.00 - P2 Asthma treatment Poster exhibition in Cromdale	11.00 - 12.30 The new IPCRG Website Janwillem Kocks; Netherlands and Miguel Roman Rodriguez, Spain	
	12.30	13.00	Lunch, poster displays and exhibition					
	13.15	14.15	iHARP Sponsored Symposium (Mundipharma/Napp) Chairman: David Price, UK Background to iHARP - the IPCRG position on establishing reasons for poor asthma control John Haughney, UK Inhaler technique - detection of critical errors with direct patient observation Speaker TBC Hidden errors in inhaler technique - their detection Henry Chrystyn, UK iHARP in clinical practice - the way ahead Miguel Roman Rodriguez, Spain					
	14.00	14.30	Lunch, poster displays and exhibition					
	13.00	14.00				Individual country session		
			Parallel symposium: Developing Global Capacity Chairs: Richard Smith	Parallel symposium: Update on asthma	Parallel symposium: Treating patients not diseases: co-morbidities in respiratory disease	Abstract Presentations Parallel abstract presentations in multiple locations	Workshops The following workshops will all take place at the same time in different locations	
26/04/2012	14.30	15.30	14.30 Global will: the political environment Siân Williams, UK	14.30 - Asthma in pregnancy Cathy Nelson-Piercy, UK	14.30 - Co-morbidity: the role of the generalist Nick Glasgow, Australia	14.30-15.30 - S5 Asthma pharmacology/treatment Oral presentations in Tinto 14.30-15.30 - S6 COPD general Oral presentations in Moorfoot 14.30-15.30 - S7 Patient education & self management Oral presentations in Kilsyth 14.30-15.30 - S8 Respiratory infections	14.30 - 15.30 El aboraje de la apnea del sueño en una consulta de AP Miguel Román Rodriguez, Spain and Dyna Torrado, Portugal 14.30 - 15.30 Oxygen, practical aspects of home O2 therapy and assessment Rupert Jones and John Palmer, UK	
			14.50 Global learning: Experiences from a global MSc Liz Grant, UK	15.00 - Quality in asthma care: what can we achieve? Ron Tomlins, Australia	14.50 - Managing patients with complex needs Charlotte Ruse, UK			

6th World Conference of the IPCRG

Date	From	To	Pentland Suite	Fintry Hall	Sidlaw Hall	Tinto, Kilsyth, Harris and Moorfoot Rooms Abstract Presentations	Ochil 1 Room, Ochil 2/3 and Carrick 2/3 Rooms - Workshops	
			15.10 Global initiatives: Making it happen on the ground <i>Javiera Inés Corbalán Pössel, Chile</i>	15.15 - Asthma self-management: making it happen <i>John Fardy, Australia</i>	15.10 - Integrating care to look after the whole patient <i>Niels Chavannes, Netherlands</i>	Oral presentations in Harris 08.30-17.00 - P1 COPD general Poster exhibition in Cromdale 08.30-17.00 - P2 Asthma treatment Poster exhibition in Cromdale	14.30 - 15.30 Smoking cessation - practical advice on how we can help <i>Ioanna Tsiligianni, Greece and Anders Ostrem, Norway</i>	
	15.30	16.00	Afternoon tea, posters and exhibition					
	16.00	17.00	Plenary session: Breathing new life: asthma - hot topics <i>Chairs: Jacqui Cooper, UK and TBC</i>					
			16.00 - Asthma and elite athletes <i>Kerstin Romberg, Sweden</i>					
			16.20 - Long-acting beta agonists: are they safe? <i>David Price, UK</i>					
			16.40 - Severe asthma: when nothing seems to work <i>Elisabeth Bel, Netherlands (U-BIOPRED)</i>					
26/04/2012	17.15	18.15	Sponsored symposium (Astrazeneca) Pushing the boundaries in asthma management 17.15 Chair's welcome and introduction <i>John Haughney, UK</i> 17.20 Beyond Guidelines - Individualised treatment for asthma <i>Ian Pavord, UK</i> 17.40 Maximising the benefits from inhalers <i>Henry Chrystyn, UK</i> 18.00 Controlling asthma - current status and future prospects <i>Eric Bateman, South Africa</i> 18.20 Questions and answers 18.30 Close <i>John Haughney, UK</i>					

6th World Conference of the IPCRG

Date	From	To	Pentland Suite	Fintry Hall	Sidlaw Hall	Tinto, Kilsyth, Harris and Moorfoot Rooms Abstract Presentations	Ochil 1 Room, Ochil 2/3 and Carrick 2/3 Rooms - Workshops	
	18.30	19.30	<p>Sponsored symposium (Teva) A 'reality check' for asthma treatments: How well do they work in real life populations?</p> <p>1830 Chair's welcome and introduction <i>Professor Mike Thomas. UK</i></p> <p>1835 Should asthma guidelines reflect Real Life studies, as established for allergic rhinitis? <i>Professor Jean Bousquet. France</i></p> <p>1855 Does excluding Real Life patients from studies bias the results? <i>Professor David Price. UK</i></p> <p>1915 Q&A</p> <p>1930 Close</p>					
	7.45	8.45	Sponsored symposium (Boehringer Ingelheim)					
	8.45	9.00	Posters and exhibition					
	9.00	10.30	<p>Plenary session: Breathing new life: COPD hot topics <i>Chairs: Jaime Correia de Sousa, Portugal</i></p> <p>09.00 - Raising standards for COPD: the Finnish COPD Programme <i>Anne Pietinalho, Finland</i></p> <p>09.20 - Can drug treatments improve the prognosis in COPD? <i>Eric Bateman, South Africa</i></p> <p>09.40 - Tele-monitoring in COPD <i>Brian McKinstry, UK</i></p> <p>10.00 - Lung ageing: a disease or way of life <i>Hilary Pinnock, UK</i></p>					
	10.30	11.00	Morning coffee, posters and exhibition in Cromdale Hall					
	11.00	12.00	<p>Parallel symposium: Environment and the lung</p> <p>11.00 - Climate change and respiratory disease <i>Peter Helms, UK</i></p>	<p>Parallel symposium: Investigating lung disease</p> <p>11.00 - Spirometry: Assuring quality <i>Tjard Schermer, Netherlands</i></p> <p>11.15 - Over and under diagnosis of COPD <i>Peter Montnemery, Sweden</i></p>	<p>Parallel symposium: Children and adolescents</p> <p>11.00 - The pre-school wheezer <i>Andy Bush, UK</i></p> <p>11.15 - Smoking and adolescents <i>Amanda Amos, UK</i></p>	<p>Abstract Presentations Parallel abstract presentations in multiple locations</p> <p>11.00-12.00 - S9 Patient perspectives Oral presentations in Tinto</p> <p>11.00-12.00 - S10 COPD service development Oral presentations in Moorfoot</p> <p>11.00-12.00 - S11 Non-drug treatment Oral presentations in Kilsyth</p>	<p>Workshops The following workshops will all take place at the same time in different locations</p> <p>11.00 - 12.00 Abordaje del tabaco en adolescentes. Una asignatura pendiente en AP <i>Rodrigo Córdoba and Vidal Barchilón, Spain</i></p>	

6th World Conference of the IPCRG

Date	From	To	Pentland Suite	Fintry Hall	Sidlaw Hall	Tinto, Kilsyth, Harris and Moorfoot Rooms Abstract Presentations	Ochil 1 Room, Ochil 2/3 and Carrick 2/3 Rooms - Workshops	
27/04/2012			11.20 - Indoor air pollution <i>Vinh Nguyen, Vietnam</i>	11.30 - Assessing inflammation in asthma <i>Toni Schneider, Germany</i>	11.30 - The atopic child <i>Aziz Sheikh, UK</i>	11.00-12.00 - S12 Organisation of care Oral presentations in Harris	11.00 - 12.00 IT Solutions, telemonitoring and telehealth <i>Clair Sparrius and Dermot Ryan, UK</i>	
			11.40 - Occupational asthma <i>Paul Cullinan, UK</i>	11.45 - Imaging and the lung <i>Tom Fardon, UK</i>	11.45 - Asthma in children and adolescents <i>Iain Small, UK</i>	08.30-17.00 - P4 COPD treatment Poster exhibition in Cromdale		
						08.30-17.00 - P5 Miscellany of primary care management Poster exhibition in Cromdale	11.00 - 12.00 Improving patient outcomes in asthma <i>Steve Holmes and Jane Scullion, UK</i>	
	12.00	12.45	Lunch, poster displays and exhibition					
	12.45	13.45	<p>Sponsored symposium (Almirall) <i>Do current approaches to COPD treatment fit with guidelines, fit clinically and can we afford them?</i> 12:45-13:00 How are primary care healthcare professionals really treating COPD? <i>David Price, UK</i></p> <p>13.00-13.15 How should we really treat the majority of early COPD – anti-inflammatory or bronchodilator therapy? <i>Marc Miravittles, Spain</i></p> <p>13.15-13.45 Interactive session – share your views with your colleagues. <i>Miguel Román Rodriguez, Spain</i> <i>Dermot Ryan, UK</i> <i>David Pendleton, UK (Facilitator)</i></p>					
13.45	14.00	Lunch, poster displays and exhibition						
		<p>Parallel symposium: SPANISH WEBCAST with English Translation - Tabaco, infancia y adolescencia <i>Chairs: Javiera Inés Corbalán Pössel, Chile and Enrique Mascarós Spain</i></p>	<p>Parallel symposium: Update on rhinitis</p>		<p>Abstract Presentations Parallel abstract presentations in multiple locations</p>	<p>Workshops The following workshops will all take place at the same time in different locations</p>		

Date	From	To	Pentland Suite	Fintry Hall	Sidlaw Hall	Tinto, Kilsyth, Harris and Moorfoot Rooms Abstract Presentations	Ochil 1 Room, Ochil 2/3 and Carrick 2/3 Rooms - Workshops
27/04/2012	14.00	15.30	14.00 - Asma infantil: Medidas para el correcto diagnóstico y manejo del asma desde sus etapas iniciales en la infancia Childhood asthma - diagnosis and treatment <i>Javiera Inés Corbalán Pössel, Chile and Manuel Praena, Spain</i>	14.00 - World Allergy Organisation (WAO) Supported Session Rhinitis: allergic or non-allergic: and does it matter? <i>Dermot Ryan, UK</i>		14.00-15.30 - S13 Asthma services, Oral presentations in Tinto 14.00-15.30 - S14 Early detection and Screening Oral presentations in Moorfoot 14.00-15.30 - S15 Smoking Oral presentations in Kilsyth 14.00-15.30 - S16 Measuring health status Oral presentations in Sidlaw 08.30-17.00 - P4 COPD treatment Poster exhibition in Cromdale 08.30-17.00 - P5 Miscellany of primary care management Poster exhibition in Cromdale	14.00 - 15.30 Writing a paper <i>Paul Stephenson and Aziz Sheikh, UK</i>
			14.20 - Como podemos prevenir los problemas relacionados con el tabaco desde el principio de la vida e incluso antes Fighting tobacco addiction: From cradle to grave <i>Rodrigo Córdoba Garcia, Spain</i>	14.15 - Assessing control of rhinitis and asthma <i>João Fonseca, Portugal</i>			14.00 - 15.30 How to manage a patient at end of life <i>Clare Hawkins and Jane Scullion, UK</i>
			14.40 - EPOC: La lucha contra el infradiagnóstico de EPOC en medios con escasos recursos COPD: An emerging disease - under-diagnosis, early diagnosis <i>Jesus Molina, Spain</i>	14.30 - Managing rhinitis and asthma in practice <i>Samantha Walker, UK</i>			14.00 - 15.30 Inhaler technique: Inspiratory effort and effect on delivery <i>H.W. Frijlink, The Netherlands and Beverley Bostock-Cox, UK</i>
							14.00 - 15.30 Spirometry and the wider picture <i>Andy Robson, UK and Tjard Schermer, Netherlands</i>
	15.30	16.00	Afternoon tea, posters and exhibition				
	16.00	17.00	Plenary session: breathing new life. Hot topics in respiratory infections <i>Chairs: Amanda Barnard, Australia and Miguel Roman Rodriguez, Spain</i>				
			16.00 - Common respiratory infections in primary care; to treat or not to treat? <i>Jochen Cals, Netherlands</i>				
		16.20 - The challenge of TB: we need to focus on the needs of the poor and vulnerable <i>Bertie Squire, UK</i>					
		16.40 - Respiratory infections in children. The WHO Integrated Management of Childhood Illness (IMCI) guidelines <i>Marianne Stubbe Ostergaard, Denmark and Rebecca Nantanda, Uganda</i>					

6th World Conference of the IPCRG

Date	From	To	Pentland Suite	Fintry Hall	Sidlaw Hall	Tinto, Kilsyth, Harris and Moorfoot Rooms Abstract Presentations	Ochil 1 Room, Ochil 2/3 and Carrick 2/3 Rooms - Workshops	
27/04/2012	17.15	18.15	<p>Sponsored symposium (Novartis) COPD Management and outcomes: implementing the revised 2011 GOLD Strategy <i>Chairman: Niels Chavannes, Netherlands</i></p> <p>Uncovering COPD: understanding the burden, improving outcomes <i>Neil Barnes, UK</i></p> <p>Implementation of the revised 2011 GOLD guidelines in primary care: bronchodilation as the foundation of COPD treatment <i>Thys van der Molen, Netherlands</i></p>					
28/04/2012	8.30	9.00	Posters and exhibition					
	9.00	10.30	Plenary session: Breathing New Life. International respiratory challenges <i>Chairs: Catalina Panaitescu, Romania</i>					
			09.00 - Addressing gender inequalities in healthcare <i>Amanda Barnard, Australia</i>					
			09.20 - Computerised disease registers: who do they help? <i>Manfred Maier, Austria</i>					
			09.40 - Building healthcare systems to support self care <i>Anne Kennedy, UK</i>					
			10.00 - The 'Practical Approach to Lung Health' initiative <i>Dr Martin van den Boom, WHO, Egypt</i>					
	10.30	11.00	Morning coffee, posters and exhibition					
	11.00	12.30	Parallel symposium: professional-patient partnerships	Parallel symposium: the role of primary care in the management of....?	Parallel symposium: Inspiring Quality in Primary Care	Abstract Presentations Parallel abstract presentations in multiple locations	Workshops The following workshops will all take place at the same time in different locations	
			11.00 - Self management in respiratory disease: what the evidence tells us <i>Martyn Partridge, UK</i>	11.00 - Sleep apnoea <i>Miguel Roman Rodriguez, Spain</i>	11.00 - The IPCRG e-Quality programme <i>Juliet McDonnell, UK</i>	11.00-12.30 - S17 Improving services Oral presentations in Tinto	11.00 - 12.30 Reviewing a paper <i>Paul Stephenson & Aziz Sheikh, UK</i>	
			11.20 - "Co-creating health": embedding self management within mainstream health services <i>Louise Restrick, UK</i>	11.20 - Bronchiectasis <i>Thys van der Molen, Netherlands</i>	11.20 - PCRS-UK Leadership Programme Steve Holmes, UK	11.00-12.30 - S18 New technologies Oral presentations in Moorfoot	11.00 - 12.30 Como triunfar en tus presentaciones en público <i>J Enrique Cimas and Javier Pérez, Spain</i>	
11.40 - Adherence, or concordance? <i>Jaime Correia de Sousa, Portugal</i>			11.40 - Interstitial lung disease <i>Annette Duck, UK</i>	11.40 - The Bangladesh training programme – <i>Monica Fletcher, UK</i>	11.00-12.30 - S20 Spirometry Oral presentations in Harris			
				08.30-17.00 - P7 Asthma general	11.00 - 12.30 The asthma review:			

6th World Conference of the IPCRG

Date	From	To	Pentland Suite	Fintry Hall	Sidlaw Hall	Tinto, Kilsyth, Harris and Moorfoot Rooms Abstract Presentations	Ochil 1 Room, Ochil 2/3 and Carrick 2/3 Rooms - Workshops		
28/04/2012			12.00 - Working together to improve respiratory care <i>Angela Coulter, UK</i>	12.00 - Lung cancer: how can we improve the prognosis? <i>David Weller, UK</i>	12.00 - On-line training from the US <i>Jim Stout, USA</i>	Poster exhibition in Cromdale 08.30-17.00 - P8 Organisation of care Poster exhibition in Cromdale	minimum to maximum technology <i>Carol Stonham, UK</i>		
	12.30	14.30	Lunch, poster displays and exhibition						
	13.15	14.15	Sponsored symposium (Merck) Debate: Should real world studies inform how we manage patients with asthma? <i>Chairman: John Haughney, UK</i> <i>For the motion: David Price, UK</i> <i>Against the motion: Neil Barnes, UK</i>						
			Lunch, poster displays and exhibition						
	14.30	15.30	Parallel symposium - Top four conference abstracts	Parallel symposium: Unravelling respiratory symptoms	Parallel symposium: Rural practice	Abstract Presentations Parallel abstract presentations in multiple locations	Workshops The following workshops will all take place at the same time in different locations		
			14.30 - Conference Abstract 1 Asthma Mortality in Australia in the 21st Century <i>Dr Dianne Goeman</i>	14.30 - Chronic cough <i>Alyn Morice, UK</i>	14.30 - Overview of the challenges and potential solutions <i>Christos Lionis, Greece</i>	14.30-15.30 - S21 Improving medical records Oral presentations in Tinto 14.30-15.30 - S22 Integrated care Oral presentations in Moorfoot	14.30 - 15.30 Nutrition: Improving Outcomes in Respiratory Disease <i>Nuno Borges, Portugal</i>		
			14.45 - Conference Abstract 2 Change in lung function over time in male metropolitan fire-fighters and general population controls <i>Assoc Prof Tjard Schermer</i>	14.45 - Breathlessness <i>Alan Kaplan, Canada</i>	14.45 - Rural and remote practice on Shetland <i>Susan Bowie, UK</i>				
			15.00 - Conference Abstract 3 Next of kin's experience of living with a patient suffering from COPD: two years after a nurse-led multidisciplinary programme of pulmonary rehabilitation in primary care <i>Dr Ann-Britt Zakrisson</i>	15.00 - Haemoptysis <i>Jim Reid, New Zealand</i>	15.00 - Developing countries <i>Frederik van Gemert, Netherlands</i>	14.30-15.30 - S24 General and environment Oral presentations in Harris	14.30 - 15.30 Non tobacco lung injury to the lung - illicit drugs <i>Louise Restrick, UK</i>		
			15.15 - Conference Abstract 4 Improved asthma outcomes with FENO-guided anti-inflammatory treatment: A randomised controlled trial <i>Dr Jörgen Syk</i>	15.15 Blocked Nose <i>Mike Thomas, UK</i>	15.15 - The Australian experience <i>Amanda Barnard and Jonathon Newbury Australia</i>	08.30-17.00 - P7 Asthma general Poster exhibition in Cromdale 08.30-17.00 - P8 Organisation of care Poster exhibition in Cromdale			
		15.30	16.00	Afternoon tea, posters and exhibition					
	16.00	17.15	Closing plenary: Breathing New Life						
			16.00 - Breathing new life: a vision for primary care <i>Iona Heath, UK</i>						

6th World Conference of the IPCRG

Date	From	To	Pentland Suite	Fintry Hall	Sidlaw Hall	Tinto, Kilsyth, Harris and Moorfoot Rooms Abstract Presentations	Ochil 1 Room, Ochil 2/3 and Carrick 2/3 Rooms - Workshops	
	16.00	17.15	16.30 - Presidents Address <i>Miguel Roman Rodriguez, Spain</i>					
			16.50 - Looking back at Edinburgh 2012 - Looking ahead to IPCRG 2014 <i>Miguel Roman Rogriguez, Spain</i>					
	From	19.30	Conference Dinner at the National Museum of Scotland
